### What service will we provide you with?

Oasis Insurance is an intermediary and works on behalf of the insurer to offer products and services in relation to your travel insurance needs. In conjunction with Taurus Insurance Services Limited, Oasis Insurance also assist with the issuing, renewal and administration of your policy. Oasis Insurance can give you all of the required information you need to help you decide which travel insurance policy meets your needs and circumstances, however we cannot provide advice or recommendations on which travel insurance policy to buy. As the customer, it is completely up to you to decide if any of the policies meet your needs.

### Important Information

It is really important that you:

1. Give us accurate information at all times.
2. Check your Travel Insurance Demands and Needs statement and Policy Certificate carefully and let us know straight away if anything is wrong.
3. Tell us if anything related to your insurance or your circumstances change. For example a change in health after you buy the policy.

If you do not, it may mean the policy could be invalid and you might not be able to make a claim.

## **Demands and needs**

Oasis Insurance does not offer advice or recommend insurance. You should decide, before purchasing, whether the terms of this insurance policy meet your demands and needs for travel insurance.

This insurance has been specifically designed to meet the demands and needs of those who wish to ensure that they are financially protected in the event of medical emergencies, delayed departures, cancellation and curtailment, lost, stolen or delayed possessions, personal liability, loss of travel money and passport and legal expenses when travelling and if chosen, optional cover can be included if applicable. The levels of cover may vary depending on which options you choose and where you travel to.

## **Key terms and conditions**

To be entitled to cover under this insurance you must be:

- in the United Kingdom when the Policy is purchased (except when You renew an existing Annual multi-trip policy); and
- aged 65 or under at the start of the Policy Period for Backpacker policies;
- aged 75 or under, or aged 80 or under if you purchase direct at the start of the Policy Period for Annual multi-trip policies; and

## **Cancelling or amending your policy**

You may cancel the insurance within 14 days of receiving the insurance documents, should you decide the insurance is no longer appropriate or required, please contact us via email or by phone. You will receive a full refund of any premium already paid provided that no claim has been made and you do not intend to make a claim. Following this 14 day period, you continue to have the right to cancel your policy at any time by contacting us. If the notice of cancellation is received outside of the 14 day cooling-off period no premium will be refunded, however discretion may be exercised in exceptional circumstances such as bereavement or a change to your policy resulting in us declining to cover your medical conditions.

We may cancel your policy by giving you 14 days' notice. If this happens we will refund the premium you have paid for the rest of the insurance period. Note once your policy has been cancelled your cover will end and you will not be able to make a claim.

## **What will you have to pay us for our services?**

You will not pay anything for our services. For all sales, Oasis Insurance will receive a percentage commission from the total premium you pay. This approach is consistent across all channels for which Oasis Insurance operates.

## **How to make a claim**

Should you wish to make a claim under your insurance, check your travel insurance certificate and schedule to see whether you have the appropriate cover. You may be asked to provide additional information to substantiate your claim. All claims evidence must be supplied at your own expense in its original form. You can find full details of how to claim in your policy documentation.
